

Sue Stokes Memorial Award 2016

We seek your nominations for a Reach child or young adult (age 0-25) who you feel deserves to be recognised for their achievement during 2016.

However small an achievement this might be, we want to hear about it. The activity could be in the field of sport, the arts, in or out of school, it might even be a boost in confidence or completing a personal challenge.

Our panel will announce the winner at the 2017 Family Weekend in Bristol in October.

The lucky winner will be presented with an engraved trophy, a small prize and will be featured in Within Reach and on the website. Although we can only award 1 prize we do like to feature nominees in our publications so please send in photos to help us celebrate our amazing members so they can inspire others like Elsie, Adam and Matthew who was our winner last year.
